

OCNMS MANAGEMENT PLAN REVIEW

WORKING GROUP/WORKSHOP STRATEGIES SUMMARY

A. FULFILL TREATY TRUST RESPONSIBILITY

Status: The current plan is for treaty trust responsibility to be articulated in the management plan in its own section, but not to be in the format of an action plan with listed strategies and activities. This could change based on further discussions. A government working group has been working on how treaty trust responsibility will be articulated in the management plan.

B. ACHIEVE EFFECTIVE COLLABORATIVE AND COORDINATED MANAGEMENT

Status: The AC voted in November 2009 to forward these strategies to OCNMS with a recommendation that they be included in the Draft Management Plan.

Working Group Title	Strategy Code	Strategy Summary
Collaborative & Coordinated Management	CCM1	Evaluation of OCNMS relationships
Collaborative & Coordinated Management	CCM2	Olympic Coast Intergovernmental Policy Council Partnership
Collaborative & Coordinated Management	CCM3	OCNMS Advisory Council Partnership
Collaborative & Coordinated Management	CCM4	State of Washington Partnership
Collaborative & Coordinated Management	CCM5	Olympic National Park and WA Maritime Wildlife Refuge Complex Partnership
